

Filigrana Collection

Xisto Asher

Hidden between mountains of leafy vegetation, the schist villages are one of the best-kept secrets of Portugal. The schist is the raw material that forms part of the identity of this territory and was our main inspiration to create these rugs. The Xisto rug is composed of various brown shades with distinguishing lines and textures that conveys us to the charm and picturesque nature of the schist villages.

Product Details

Product Type	Flatweave
Technique	Flatweave
Pile Height	-
Materials	Wool
Size	170x250
Use	Hospitality, Residential
